

THE FEAR PROJECT

Chaz Hill **Air Force Veteran**

"Your strong desires can completely dissolve your fear."

"If you don't overcome your fear you will fail."

What you can do now to face your fears:

- Learn step by step about different areas triggering your fear.
- Be precise in what you want and what you do.
- Consider the context and history of others.
- Focus on how you respond.

Remember:

- Find a great passion worth the risk.
- Somebody with more experience can navigate you around the fear by sharing knowledge step by step, motivating you, and helping to build your confidence.
